

1. Save the file on your computer (desktop, in a folder, wherever you want.)
2. Name the file like this: Class.name.date (use the date that the assignment was given in class)

For example: algebra1.cindy.mar25

3. Find the email from Cindy.Kroon@k12.sd.us with the shared link in it. (Email me if you need me to re-send the share.)

4. Click on open. You are now in the folder for your class.

5. Open the folder that says "Turn in HW"
6. On the top left there is a big plus sign labeled **NEW**. Click on that and select "file upload."
