(include your names in the title when saving)

Writing assignment (individual) due Thurs.

Geometry

Writing assignment (individual): Minimum 2 paragraphs

Consider the recently completed project

- What did you like about the project? (be specific)
- What problems did you have?
- What would you change to make your group's project better? (be specific)
- What modifications to instructions/grading would you recommend?
- How does the project use content and vocabulary from Ch. 2 ?
- Anything else you have to say?

List of specific tasks that YOU did on the project

Writing: 10 points (individual grade)
